

# **WELCOME TO OUR DONATION PAGE**

**Contained in this page is Elohim Foundation's case for support, which presents the various services offered in attainment of her program objectives.**

**It is a call for partnership and generous technical and financial support towards meeting the needs of the under-privileged.**

**We humbly ask you support our mission by making a donation today for any service of your choice. We sincerely appreciate your time and thank you for your kind donation.**

# CASE FOR SUPPORT

## **Program Focus:**

**Infant & Maternal Health Care,  
Communicable Disease Prevention, Care &  
Support, Child Development and Protection,  
Environmental Resource Protection &  
Management, and Capacity Development.**

# A Sustainable Human Society

**is Possible,  
When we work Together**

# Together We Can Build a Safer Society!

Imagine...

**a world without Maternal & Infant Mortality challenges.**

**a world without CD i.e. (HIV/AIDS, HEP)**

**a world where healthy lifestyle becomes a choice**

**a world where the vulnerable are adequately supported**

**a world without poverty**

**Your Support will ensure the continuation of interventions that promote safe-mother & child health, HIV & Hepatitis prevention, care & support, healthy lifestyle, hygiene & sanitation and poverty reduction among urban & rural people.**

# Promoting safe Health Services is the key!

**We can tackle infant & maternal mortality through...**

- **Male involvement in antenatal Care**
- **Provision of pre & post natal care**
- **Prevention of Vaccine preventable child killer disease i.e. Malaria**
- **Promotion of Immunisation through awareness & service uptake education**
- **Promotion of healthy living through Nutrition education**
- **Provision of pipe borne water, hygiene & sanitation education**

**Save a life NOW! Support our free  
community health services**

# Providing Health Services is the key!

**We can tackle HIV, HBV, TB epidemic through...**

- **Provision of free testing**
- **Provision of Behaviour Change Based Prevention Education**
- **Provision of supported health care services for HIV infected persons and discordant couples.**
- **Provision of economic strengthening to reduce socio-economic impact on positives and their families.**

**Save a life NOW! Support our free community health services!**

# Rural and Urban Poor Communities can have Better-life

## Through...

- **Civic and Human Right education**
- **Participatory governance**
- **Transformational leadership development**
- **Economic empowerment**
- **Advocacy for public policy change**
- **Advocacy for behaviour change**

**Your support will strengthen our  
intervention in this direction!**

# Private sector response

**It is not the responsibility of the government and international donors alone, corporations and individuals like you can help through...**

- **Corporate Social Responsibility (CSR) activities**
- **Family Supports and individual Donations of both materials and funds**

**Secure your future today! Support Development in our Communities Now.**

# What We Need

**Elohim Foundation needs YOUR SUPPORT Through individual and Cooperate partnership support.**

- **For a ₦150,000.00 Youth/Women Entrepreneurship Empowerment Scheme per beneficiaries.**
- **For a ₦20,000 monthly Safe Mother & Child Care Services scheme**
- **For a ₦20,000 monthly OVC 4+1 care service scheme**
- **For a ₦10,000 monthly Community Leadership & governance outreach education scheme**
- **For a ₦10,000 HIV, HCV & HBV, Malaria and TB screening services scheme.**
- **Better still you can support our community mutual health insurance program by donating for the capitation of a vulnerable individual or family for either NGN 15,000.00 or NGN60,000.00 per year.**
- **Perhaps you would rather donate materials for community peoples needs such as clothing, approved medications for common ailments or drill a standard water borehole system in any of the hard to reach and under served community's of your choice.**

**Your support will help us build a healthy & Sustainable society in Nigeria.**

# How you can support us

**You can support any or all of our programme schemes by donating generously through our donation page, by clicking the link on our website.**

*\*\*please note that all donations are receipt-able and published in our annual audits reports.*

**Lets make the world a better place, Decide Now!**
